Greetings from Madhya Pradesh Tourism!

We are delighted to inform you that Madhya Pradesh Tourism Mart is being held in Bhopal from 11-13 October 2025. This three-day event will bring together an esteemed gathering of national and international stakeholders from the tourism industry, including travel agents, tour operators, destination marketing companies, and media representatives.

The mart will feature networking sessions, cultural performances, panel discussions, and business meetings, offering participants an excellent platform to connect and collaborate.

It gives us immense pleasure to formally invite Travel & Tourism Trade partners and a select number of Influencers to this event scheduled to be held in Bhopal from 11th to 13th October 2025.

Following the Mart, delegates will also be hosted on an exclusive Familiarization (FAM) Tour across prominent destinations in Madhya Pradesh, allowing them to experience first-hand the rich cultural heritage, wildlife, and tourism potential of the state.

As a valued guest of Madhya Pradesh Tourism, we would be honoured to host these select stakeholders for this event. As a gesture of goodwill, we will be pleased to provide them with a return economy-class ticket from the Country of origin to Bhopal and take care of their local transportation, accommodation, and hospitality arrangements during their stay in Madhya Pradesh.

We sincerely believe that their presence at the Madhya Pradesh Tourism Mart will not only give them a unique opportunity to engage with global tourism leaders but also allow them to experience the unparalleled warmth and diversity that our State has to offer.

We look forward to welcoming the Stakeholders to Madhya Pradesh and take them on an unforgettable journey through the “The Heart of Incredible India.”
